A double panel radiator, a ceiling light fitting and a fitted airing cupboard housing the modern 'IDEAL' combination boiler. Obscure uPVC double glazed window to the side elevation.

DETACHED GARAGE:
Of concrete construction. Providing a manual up/ over garage door, side personnel door and obscure windows to the rear elevation.

EXTERNALLY:
The property enjoys a wonderful corner plot position. The front garden is accessed via a low-level wrought-iron gate, with a concrete pathway leading to a secure timber gate, giving access to the main entrance door. The front garden is well-established, with a vast range of plants and shrubs and a pivot hedged wrap-around boundary. The side garden is predominantly paved creating a private seating area. This follows through to the triangulated rear garden, which is of general low-maintenance, with a concrete pathway, partial paved and gravelled hardstanding, a garden shed and access to the detached garage. There are high-level hedged boundaries. There is dropped kerb vehicular access to the side of the house, via a double wrought-iron gated entrance. Leading onto a driveway and into the garage.

Services:
Mains water, drainage, and electricity are all connected. The property also provides gas central heating, vi a modern 'IDEAL' boiler and uPVC double glazing throughout.
PLEASE NOTE: We have not and will not be testing any equipment, services or appliances and cannot verify that they are in full working order. The buyer is advised to obtain verification from their solicitor or a surveyor.
