EXTERNALLY:

This well-proportioned and extended traditional semi-detached residence is situated in a highly desirable and conveniently positioned residential location.

To the front, the property benefits from dropped kerb vehicular access onto a concrete driveway, while the remaining front garden is predominantly laid to lawn and offers potential for further off-street parking, if required. The frontage is enclosed by low-level fenced boundaries to the side aspects and a medium-height walled front boundary. There is access leading to the front entrance door, which is positioned beneath a storm canopy. There is also direct access into the attached utility/workshop.

To the rear, the property enjoys a generously proportioned and highly private garden, predominantly laid to lawn and complemented by an extensive paved seating/entertaining area, conveniently accessed via the uPVC double-glazed French doors from the dining room. The garden also benefits from access to an attached external W.C, together with a substantial area of concrete/ paved hardstanding offering considerable versatility and scope for a variety of uses. There are also a small selection of established shrubs and a concrete pathway leading down to the bottom of the garden, where there is a raised paved and covered seating area, complete with a built-in bench.

Further external features include an outside tap, external lighting and additional access into the attached workshop. The garden is enclosed by fully fenced side boundaries, with a mature tree-lined rear boundary combined with a low-level breeze-block wall, creating a great degree of privacy and seclusion.
