EXTERNALLY:

This attractive contemporary terrace home enjoys a pleasant residential position and is approached via a shared block-paved driveway, with well-established hedging and gravelled boards.

The property benefits from an independent and private block-paved driveway, complemented by neatly planted borders and a small paved pathway leading to the composite front entrance door. There is also external lighting and concealed access to the gas meter.

To the rear, the well-appointed garden has been designed for minimal maintenance and maximum enjoyment. Predominantly laid to lawn, it features a delightful paved seating area with gravel borders, also accessed via the uPVC double glazed French doors in the dining kitchen. A paved pathway extends to the bottom of the garden. A personal wooden pedestrian gate provides access to a shared passageway, which in turn leads to the front of the property. There is an outside tap, external wall lighting, fully fenced side and rear boundaries.

Approximate Size: 735 Square Ft.

Measurements are approximate and for guidance only.
